grade

# St. Paul's Youth Ministry

## Youth House

The Youth House is a great place for teens to kick back on Wednesday's after school. We have a pool table, comfy couches, snack bar, and video games. We also have a study room if you would like to get a head start on homework. Stop in and check it out. The Youth House is open on Wednesday's from 4-5:30pm and 8-9pm. Youth are free to sign in and sign out as they please (like an open house). The first time youth attend the Youth House they are asked to fill out the "Youth

House Promise".

### The Youth House Promise

outlines behavior and expectations for youth attending the Youth House. For example youth are expected to respect the property, adults, others and themselves. Youth also promise to honestly fill out the sign in/sign out sheet each time they come to the Youth House. For a complete copy of the Youth House Promise contact Jennifer Walker.

### Special Events

Periodically we hold special events like lock-ins, movie nights, bonfires, pool tournaments, and more. Check out the youth blogspot for up to date event information or contact Jennifer Walker and get put on the youth email list.

## Get Connected

[www.stpaulsyouthgroup.blogspot.com](http://www.stpaulsyouthgroup.blogspot.com)

This site has special event information, past event PICTURES, links to today's top Christian music artists, birthday announcements, monthly Bible memory verses, Youth House schedule, and much more!

## Connections

8th-12th graders are welcome to attend Connections on Sunday mornings at 9:00am in the Youth House. Are there times when you feel like you are missing something in your relationship with Jesus, maybe He is just not "REAL" to you all the time. If so, you need to come to our Sunday Morning Connection class. Each week we will focus on connecting with Jesus and other Christians in deeper more meaningful ways. The format for this

class is a little different. We will spend one week studying the scripture, seeking to know more about who Jesus really was. Then the next week we will put what we have learned into action through a personal or community project. It might be visiting a shut-in, providing an hour of child care/Bible lesson for worn out parents, writing a personal thank you letter to someone who has helped you along your faith journey, maybe we will go do a small home repair project for the elderly, the possibilities are endless... and the best part is you will get to help plan each project! But one thing will be for sure, as you put your faith into action you will see your connection to Jesus grow stronger and deeper. Contact Jennifer Walker if you would like to register for this class.

## Youth Leadership

Do you want to find a way to serve at St. Paul's? Whatever your interest, we have a ministry opportunity for you. We are looking for committed youth to serve as Sunday LIGHT (Sunday School) helpers, nursery helpers, Adventure Club group leaders, crafts helpers, music leaders, drama leaders, sound technicians, games helpers, set up/clean up crews and ministry cheerleaders. Contact Jennifer Walker if you are interested in serving or if you need help discovering your ministry.

## Wild Wednesday's

Invite your friends and GO WILD on Wednesday's from 6:30-8pm at the Youth House. Your courage will be tested! Your sense of Adventure will be fed! Your stomach will ache due to excessive laughter at our Improv! You will make Wild Memories that will be engrained in your brain forever! We will use these crazy, fun activities to discover God's Word and how it applies to our lives. After the crazy stuff we will take some time to break into small groups (divided by age/sex) and dive into more in-depth group discussion. Each month we will focus on one theme. Here are some of the themes for this year: Healthy Friendships, Wise Decisions, Moral Boundaries, Authentic Faith, and Others First. For a complete schedule and theme list contact Jennifer.
